

How to find us

Our address is: Darkes Barn East, Conderton, near Tewkesbury, Worcestershire, GL20 7PP

Tel: 01386 725 000

Parking

For individuals or groups arriving in three cars or fewer, please use the entrance marked “Disabled Parking and Access” on the map below.

For groups arriving with four or more cars, there is a car park at the rear of our studio (marked “Parking” on the small map below). Please do not park on the grass if the spaces on the gravel are taken. If you find that the rear car park is full, there are spots to park at various points along the road through the village

Regarding accessibility, please note there is a gravel path from the rear car park which is uneven in places and a short flight of steps to reach the studio. If you need easy, level access to the studio then please use the “Disabled Parking and Access” entrance. There is wheelchair access through an alternative door, please call ahead and we’ll be glad to help with any access queries.

Planning your visit

We don’t have the facilities to provide group refreshments, but there are some options in our area.

The pub in the village is called the Yew Tree Pub: www.yewtreeconderton.co.uk

Alternatively there is a larger pub (better able to cater for larger groups) on the edge of the next village along, the Beckford Inn: www.thebeckford.com

Beckford Silk is a nearby place to visit and also has a cafe - please see their website for more information:

www.beckfordsilk.co.uk
